

Memo No. 7 /AMRUT - 2.0/WS/SMC/2023-2024

Dated: 04/04/2023

**NOTICE INVITING ELECTRONIC TENDER No. 02/WBMAD/SMC/AMRUT - 2.0/WS/2023-2024**

**1. Invitation**

On behalf of the Governor of West Bengal, e-Tender is invited by the Commissioner, Siliguri Municipal Corporation, Government of West Bengal from the reputed, bonafide, financially sound and experienced Agency/ Firms on EPC Turn-Key Contract basis in WBF 2911 for the work as detailed below.

**2. Name of the work & other details**

Sl. No.	Name of the work	Reserve Price INR (Cr)	Time for completion Of the work.	Earnest money	E.I.C.
1.	Survey, Sub-soil Investigation, Design, Construction, Supply, Erection & Commissioning of RCC Raw Water Intake Structure(Fixed type), containing Intake Well allowing at least 211.80 MLD Raw water withdrawal in 21 hrs pumping, Jetty , Electrical Substation, Pump House on Intake structure including required Pumping machineries, electromechanical equipments, appliances with all related accessories, 27.5 Km(approx) long Raw Water Transmission Main of minimum 1200 mm dia MS pipe with thickness 12.5 (min) , steel Pipe bridges, Jack pushing Works to cross rivers, Jhora, canals, railways, highways etc, wherever required for delivering 138.61 MLD raw water at proposed Water Treatment Plant at Fulbari from Intake well in the river Teesta at upstream of Gajoldoba Barrage on <b>EPC-turnkey</b> basis including 3(Three) months Trial Run and subsequent 60 (Sixty) months Operation and Maintenance complete for Augmentation of Water Supply Scheme (Phase-I) for Siliguri Municipal Corporation & En-route Rural Areas under AMRUT-II.	202.02	18 (Eighteen) calendar months + 3(three) calendar months Trial Run + 60(Sixty) calendar months Operation & Maintenance	Rs. 0.10 Crore To be submitted online through State Government e-procurement portal. + Balance Amount (for successful bidder) may be deposited through valid Bank Guarantee from any Nationalized/ other Scheduled Bank	Executive Engineer (AMRUT) Siliguri Municipal Corporation

### Brief Description of the work

The work broadly comprises but not limited to Surveying, Soil-soil Investigation, Planning, Design, Delivery, Erection and Construction of all Civil, Mechanical, Electrical & Instrumentation works including all allied and related works for the following major components related to **Survey, Sub-soil Investigation, Design, Construction, Supply, Erection & Commissioning of RCC Raw Water Intake Structure(Fixed type), containing Intake Well allowing at least 211.80 MLD Raw water withdrawal in 21 hrs pumping, Jetty , Electrical Substation, Pump House on Intake structure including required Pumping machineries, electromechanical equipments, appliances with all related accessories, 27.5 Km(approx.) long Raw Water Transmission Main of minimum 1200 mm dia MS pipe with thickness 12.5 (min) , steel Pipe bridges, Jack pushing Works to cross rivers, Jhora, canals, railways, highways etc, wherever required for delivering 138.61 MLD raw water at proposed Water Treatment Plant at Fulbari from Intake well in the river Teesta at upstream of Gajoldoba Barrage on EPC-turnkey basis including 3(Three) months Trial Run and subsequent 60 (Sixty) months Operation and Maintenance complete for Augmentation of Water Supply Scheme (Phase-I) for Siliguri Municipal Corporation & En-route Rural Areas under AMRUT-II.**

### **The Major Components**

- I. All Civil & Electromechanical Works for Construction of **Raw Water Intake Setup** on river Teesta at upstream of Gajoldoba Barrage Consisting of:
  - (i) **RCC Intake Well, Mounted Pump House\*** of Required Size & Shape on river away from river bank (Guide bund) will be pin pointed depending on feasibility study.
  - (ii) Connecting **RCC Jetty** from river bank to Intake Well of Required length & width to accommodate all required provisions including but not limited to Pipe Carriage way, Gangway, Cable Trench, Vehicular road for movement of machineries, railings etc.
  - (iii) **Electrical Substation with RCC approach Jetty** having all required provisions.
  - (iv) **Approach Road** from intake jetty to nearby Newly Constructed Bituminous Road.
  - (v) **Bank Protection works** in the vicinity of intake structure as per requirement.
  - (vi) Supplying, installation, commissioning of all **Pumping Machineries for Pump House** including Vertical Turbine (V.T.) Pumps, manifolds, other equipments, Compound illumination Complete execution of **all Electro Mechanical Works of Pump House.\***
  - (vii) Supplying, installation, commissioning of all required **Electrical Goods, Equipments, Machineries, Devices, Appliances for Electrical Substation** including Transformers, Panels, Compound illumination etc, Complete execution of **all Electro Mechanical Works for Electrical Substation.** Agency has to pay service connection charges as per WBSEDCL. Quote that will be reimbursed later.
  - (viii) **Boundary Fencing** with operable locked gates to isolate the Intake Setup from surroundings.
- II. **Laying of Raw Water Main** from delivery header of Intake at **Gajoldoba** to the inlet Well/chamber of the Water Treatment Plant with a provision to discharge to the Raw water storage reservoir within the WTP Premises at **Fulbari.**

The Pipe laying Work will include construction of **Steel Pipe Bridges, Jack Pushing Works** as required for the Pipeline to Cross River, Jhora, Canal, Water Bodies, Railways, NH, and other Roads.

**All road restoration works** as and wherever required to be done as per direction of the I.C.
- III. **Trial Run** of the Comprehensive Project Setup for a period of **3 Months**
- IV. **Operation & Maintenance** of the Comprehensive Project Setup for a period of **60 Months.**

*\* It is to be noted that the Intake Well and Pump House to be designed to accommodate Machineries to withdraw 211.80 MLD Raw Water in 21 Hrs pumping (Future Provision for Phase II) but for now Pumping machineries to be Designed & Installed to obtain 138.61 MLD Discharge at outfall of RWM i.e. at Inlet of WTP. Required Calculation is to be done for Raw Water Demand at source following detail survey and design.*

**FOR FURTHER DETAIL, SECTION B (DESCRIPTION OF PROJECT) SHOULD BE REFERRED.**

#### 4. Eligibility Criteria

The intending bidders should fulfill the following essential eligibility criteria for participation in this tender:-

##### A. Technical Criteria:

- i. Having proven experience, expertise & capabilities of successfully completing at least one Intake Structure on tidal river including pumping arrangement or at least one water treatment project having at least 70 MLD (Seventy) capacity including completion of operation & maintenance of similar pumping machineries successfully for at least 12(twelve) months. The works must have been executed under a single tender anywhere in India with State or Central Government/ Govt. Autonomous body/PSU within the last 5 (five) years as prime Contractor in a single package .

OR

Having proven experience, expertise & capabilities of successfully completing 2(two) nos. of similar nature of raw water intake jetty project or water treatment project having capacity of each @ 53 MLD or total capacity at least 106.0 MLD and successful completion of operation & maintenance of such any project for at least 1(one) year. The works must have been executed under a single tender or under separate tenders each anywhere in India with State or Central Government/ Govt. Autonomous body/PSU within the last 5 (five) years as prime Contractor in a single/separate package.

AND

- ii. Proven experience, expertise & capabilities of successfully completing the work of Supplying and laying, testing, commissioning, Operation and Maintenance of pumping Water Main of MS / DI (K9) / UPVC pipe for at least 10(ten) KM length for bulk water supply on EPC-Turnkey basis, in a single contract anywhere in India with State or Central Government/ Autonomous body/ Private Sector within the last 5 (Five) years as prime Contractor in a single package.

AND

- iii. Proven experience on Successful completion of HT/LT sub-station.

A certificate from the executing authority/ client not below the rank of Executive Engineer/ Divisional Engineer/ equivalent is to be produced in support of above criteria clearly stating that the works entrusted to the bidder have been successfully completed.

**Each work mentioned in 4.1(i), (ii), (iii) must have been executed by the bidder successfully under a single contract within the last 5 (Five) years as prime Contractor anywhere in India in drinking water supply project with State or Central Government / Govt. Autonomous body.**

- iv. Having in possession of Sophisticated & Modern Equipment, Machineries etc. for construction specially required for construction of intake jetty extended upto deep channel of tidal rivers.
- v. Having qualified salaried technical personnel with sound knowledge & experience in execution of similar work. The Bidder Must have a Project Manager with not less than 5(five) years experience in managing construction as project Manager (minimum 15 years experience after Graduation in the field of Civil Engineering works) in similar works, along with minimum number of engineering, technical and other key personnel with adequate experience as detailed hereunder:
- |   |   |                                       |
|---|---|---------------------------------------|
| 1. Civil Engineer (Degree holders with min. 5 Yrs. of experience)                     | : | 2 nos. (including QA/QC professional) |
| 2. Mechanical /Electrical Engineer (Degree holders with min. 5 yrs. of experience)    | : | 1 no.                                 |
| 3. Supervisors (Diploma holders with min. 5 yrs. of experience)                       | : | 4 nos.                                |
| 4. Licensed Electrician & Electrical Supervisor having certification of 11 KV HT line | : | 1 no.                                 |

Bidder has to submit authentic document in this regard and without fulfillment of this criteria bidder will be disqualified.

- vi. The bidder should not have a history of any penal measures taken by any authority/ client on any account against the organization / firm for any project of similar nature or any other project executed during the last 3 (three) years. A declaration to this effect will have to be submitted by the bidder in

### **B. Financial Criteria**

- i. Completion certificate produced as credential should clearly indicate the description of works, value of contract, executed work value, date of award, actual date of completion etc. and name, address, telephone no. of the client.
- ii. The Bidder should have Average Annual Turnover during last 3 (three) financial years (i.e., 2019-2020, 2020-21 and 2021-22) of not less than Rs. 60.00 Crore (Rupees Sixty Crore).  
General Notes:-The average annual turnover shall be based on Tax Audited Report in 3CD Form duly signed by a registered chartered accountant of immediate proceeding last 3 (three) financial years. In case tenders are to be received earlier than the time prescribed for submission of audited balance sheets under Company Act for immediate last financial year, the period of 3 years shall be shifted to previous financial years. Any clarifications sought in this regard, if required are to be submitted as and when demanded.
- iii. The Bidder should have a valid Trade License/Registration Certificate, Professional Tax Challan, PAN Card, GST Registration Certificate & GSTIN No, Scanned copy duly Notarized by the Public Notary to be uploaded in documents folder.
- iv. Bidder should submit Banker's certificate having Solvency of at least Rs 40.00 Crore (Forty Crore) only from a nationalized/scheduled bank of India. Issue date of the certificate must be after date of publication of the tender.

### **5. Earnest Money**

The intending bidders shall have to deposit Earnest Money in the following manner

**Initial earnest money of Rs. 0.10 Crore to be submitted online through ICICI bank gateway linked with the e-tender website + Balance Amount may be deposited through valid Bank Guarantee from any Nationalized Bank/SCHEDULED BANK**

No other form of earnest money will be accepted.

Tender will be declared informal if earnest money receipt is not submitted and uploaded with tender document preferably in fees folder.

The amount will be converted into security deposit.

**An additional undertaking by the respective bank shall have to be furnished stating that on any requisition from the tender inviting authority, the bank will remain liable to deposit the guaranteed amount in favour of the Commissioner, Siliguri Municipal Corporation within 15 days from the date of intimation to the bank. All the aforesaid instruments should be submitted & uploaded in a sealed cover physically to the office of the Commissioner, Siliguri Municipal Corporation.**

### **6. Security Deposit**

- i) The entire deposited amount as EMD shall be converted to initial security deposit in case of successful bidder.
- ii) Balance amount of security deposit (10% of the accepted value of the work or as per Govt Order amended time to time - EMD already deposited) will be deducted from each progressive bill of work or no deduction will be made against submission of Bank Guarantee and Fixed Deposit receipt of equal amount of deduction as security Deposit from the successful Bidder.
- iii) Performance Guarantee (P.G.): Performance Guarantee @ 5% will be deducted from each progressive bill in addition to security deposit or no deduction will be made against submission of Bank Guarantee and Fixed Deposit receipt of equal amount of deduction in addition to security deposit and will be released on successful completion of the work and on satisfaction of the Engineer in charge.

In cases of Refunding and Releasing of 100% Security Deposit held with the Government, arising out from works contract, Security Deposit will be released after issuance of Completion Certificate on submission of unconditional BANK GUARANTEE by the Contractor for the Security Deposit subject to

1. The Bank Guarantee should be issued by a Scheduled Commercial Bank in favour of the Agency for the entire duration of the contract work on behalf of the contractor.
2. The Bank Guarantee will remain valid for the Defect liability period/security period as per contract of the work.
3. The Bank Guarantee will be submitted as per Format attached. The Tender inviting authority should obtain confirmation of the Bank Guarantee directly from the Bank before its acceptance.
4. The Bank Guarantee, now pledged in the form of Security Deposit will be released to the contractor in the following manner, if not forfeited under conditions of contract:
  - a) No security deposit shall be refunded to the contractor for 1st (first) 3 years from the actual date of completion of the work;
  - b) 30% of the security deposit shall be refunded to the contractor on expiry of four years from the actual date of completion of the work;
  - c) The balance 70% of the security deposit shall be refunded to the contractor on expiry of five years from the actual date of completion of the work.

## 7. **Time for Completion**

18 (Eighteen) calendar months excluding trial run period. There shall be 3 (Three) months trial run period followed by PG Test for 3 (Three) consecutive days (24 Hrs/ Day). The comprehensive intake structure alongwith electromechanical components and raw water rising main with pipe bridges shall have to be Operated and Maintained by the successful bidder for a period of 5 (Five) years counted from the date of successful completion of the trial run.

## 8. **Supply of Construction materials**

Materials such as Cement, M.S. Rod, R.C.C. Hume Pipes, and M.S. sheet Piles, that will be required in the works are to be supplied by the successful bidder at his/their own cost. Claims whatsoever arising out of price escalation, if any, of the construction materials shall not be entertained under any circumstances. All necessary Pipe (MS/DI K9) for raw water rising main laying job will have to be supplied by the agency and carriage of such pipes may be done by the contractor from the nearest source and at site store or stack yard will have to be managed by the agency.

## 9. **Machinery & Equipment**

The successful bidder is required to arrange, at his/their own cost, all the machineries/equipments necessary for execution of work and cost towards the same shall be deemed to have been included in his quoted rates.

## 10. **Rate offer in tender**

The bidder should quote their rates on EPC-Turnkey basis under each item of the BOQ only both in figures and words. The Tender inviting authority reserves the right to seek justification against the rate quoted for Operation and maintenance. However evaluation of lowest bid will be done based on Total Quoted Value at the base of the BOQ.

The price quoted by the bidders shall remain firm till completion of work in all respects and no escalation shall be admissible under any circumstances. Rate quoted by the bidder shall be inclusive of all taxes including GST, L. Cess. No additional claim will be entertained in this regard. Taxes & duties to be borne by the Bidder.

All Taxes & Duties including GST, Royalty, Construction Workers' Welfare Cess and all other statutory levy/Cess will have to be borne by the bidder as per Govt rules amended time to time and for which no extra cost will be paid for consideration of all these charges.

**11. Inspection of site by the intending bidder before submitting Tender**

Before submitting any bid the intending bidders should make a careful/ themselves to carefully acquaint with all the conditions by actual inspection of the site and to take into consideration all aspects, i.e. environmental, air & transport facilities, climate conditions, nature of soil, availability of local amenities and material etc. prevailing in the locality etc. and to assess all the risks and difficulties likely to be involved in the execution of the work as no claims whatsoever will be entertained on these accounts afterwards. For obtaining information on the location of the site, the intending bidders may contact the office of the **Siliguri Municipal Corporation** not later than seven days before the last date of submission of bid.

**12. Submission of e-Tender**

i) For e-Filing, the intending bidders may download the tender document from the website directly by the help of Digital Signature Certificate.

ii) The Tender Document shall be submitted through Two-Folder System:

(a) Technical Bid & (b) Financial Bid.

Technical Bid folder will have three folders:

i) Prequalification ii) Statutory iii) Non statutory

Both Technical Bid and Financial Bid, duly digitally signed, should be submitted concurrently in the Website: <https://wbtenders.gov.in>.

iii) No documents will be entertained, if sent by post / courier.

iv) In case of sudden closure of office due to any reason beyond control & understanding, the last date & time for the deposit of Earnest Money as indicated shall be extended up to the next working date & time.

**13. Conditional and Incomplete Tender**

Conditional and incomplete tenders are liable to be summarily rejected.

**14. Tender Validity Period**

The tender shall be valid for acceptance for a period of 180 (One hundred and eighty) days from the last date & time for submission of "Technical & Financial Bid".

The tender inviting authority may, if necessary, solicit the Bidder's consent for an extension of the period of validity of the Tender offer by a further period as may be mutually agreed upon. However, the decision of the tender inviting authority in this regard shall be final and binding on the bidder.

**15. General Notes:**

(a) No joint venture in the form of M.O.U. or in any shape will be accepted at any stage of tendering.

(b) The Bidder should also upload Place of Registration, Principal Place of Business & Power of attorney of signatory of tender

(c) The average annual turnover shall be based on audited balance sheets of last 3 (three) consecutive financial years.

(d) For detailed information & clarification regarding the proposed Intake work, the intending bidders may contact the office of the undersigned in writing on any working day during office hours not later than 48 hours prior to the Pre-Bid Meeting (Contact person: Chief Engineer, Siliguri Municipal Corporation, Tel-9433509495) or the office of Siliguri Municipal Corporation.

(e) The acceptance of the tender will rest with the Commissioner, Siliguri Municipal Corporation, (the Tender Inviting authority) who does not bind himself to accept the lowest tender, and reserves to

himself the authority to reject any or all of the tenders received, without the assignment of a reason. All tenders in which any of prescribed conditions are not fulfilled will be rejected.

- (f) The drawing and design to be submitted by the successful bidder in connection to the work should be checked and vetted from Jadavpur University, IEST Shibpur, IIT Khargapur or from any other organization of similar reputation before submission. The same is also applicable for feasibility study report of intake well and other relevant reports.
- (g) Canvassing in connection with the e-tenders is strictly prohibited and the tenders submitted by a bidder who take resort to canvassing will be liable to rejection.
- (h) The tender inviting authority reserves the right to annul the tendering process at any time without assigning any reasons whatsoever and without making any payment for any claim in this regard.
- (i) Partnership Firms shall furnish the registered partnership deed and Companies shall furnish the Article of Association and Memorandum. [Non Statutory Documents]
- (j) In case of Proprietorship and Partnership Firms and Company, the Tax Audited Report to be furnished along with balance sheet and profit and loss account and all schedules forming the part of Balance Sheet and Profit & Loss Account in favour of applicant. No other name along with applicant name, in such enclosure will be entertained. [Non Statutory Documents]
- (k) Submission of Income Tax Acknowledgement Receipt for Assessment Year (2019-2020) is mandatory.
- (l) The successful bidder should have capacity to progress the work upto 60%, if payment could not be made during that period due to paucity of fund.
- (m) Any legal matter will be settled within the jurisdiction of the Hon'ble District Judges' Court at Darjeeling Distt.- Darjeeling, West Bengal.
- (n) The bidder would be at liberty to point out any ambiguities, contradictions, omissions etc. seeking clarifications thereof or interpretation of any of the conditions of the Tender documents before the Tender Inviting Authority in writing within the stipulated date and time as mentioned in this e-NIT. Beyond such period no representation in this regard will be entertained by the Tender Inviting Authority. **The Pre-Bid Meeting will be held at the Office of the Siliguri Municipal Corporation on 17.05.2023 at 2.00 pm.**
- (o) Written clarification or amendments etc. as may be issued by the Tender inviting authority in pursuance to the presentation made by the Bidder shall be final and binding on the Bidder and shall form part of the Tender documents.
  - (p) Before issuance of the Acceptance / Work Order, the tender inviting authority may verify the credential & other documents of the lowest bidder if found necessary. After verification, if it is found that such documents submitted by the lowest tender is either manufactured or false in that case, work order will not be issued in favour of the lowest bidder under any circumstances.

**16. Electrical Licence and Labour Licence:**

Upon receipt of acceptance order, the successful bidder has also to obtain the labour licence from the office of the Joint Labour Commissioner of the concerned District in which the location/site of the work falls, under the provision of W.B. Contract labour (Regulation & Abolition) rules, 1972 and Electrical Licence and Electrical Supervisory Licence has to be obtained by the bidder from the appropriate authority. Copies of the licenses are to be submitted to this office through the concerned Executive Engineer before execution of deed of contract.

**17. Acceptance of Tender**

The prevailing orders of the Govt. of West Bengal/ Siliguri Municipal Corporation will be followed for acceptance of the tender.

18. **Penalty for suppression / distortion of facts**

If any bidder fails to produce the original hard copies of the documents or any other documents on demand of the Tender Inviting Authority within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression, the bidder will be suspended from participating in the tenders one-Tender platform for a period of 3(three) years. In addition, his User Id will be deactivated and Earnest Money Deposit will stand forfeited, besides, the SMC may take appropriate legal action against such defaulting bidder.

19. **Award of Contract**

The Tender Inviting Authority reserves the right to accept or reject any Bids and Cancel the Bidding processes and reject all Bids at any time prior to the award of Contract without thereby incurring any liability to the affected Bidders or any obligation to inform the affected Bidder or Bidders of the ground for Tender Inviting Authority's action. The Bidder whose Bid has been accepted will be notified by the Tender Inviting & Accepting authority through acceptance letter. The notification of award will constitute the formation of the Contract.

20. **Schedule of Dates of e-Tendering procedure**
